A float or other entry promoting both Farmer's Markets and "healthy living in Westchester" needs to be in the 4th of July Parade. I thought we agreed.

Shouldn't Vitalization form a committee to get this done asap? Chamberlain would be a natural with President Les leading the way.

We haven't been in the parade, but what with the market's opening to follow just weeks after sure seems like we should have a presence there ..it's a sweet spot for sure. At our team meet last week, as part of the overall marketing campaign for the market's opening we hit on bunch of fun ideas including ..community wide banners/posters and targeting community events such as this -- passing out discount coupon cards that showcase the grand opening - as to being in the parade itself with a float ...thoughts? Looping Les in here as well ..thanks Miki for getting us connecting on this..

Is the Farmer's market already in the 4<sup>th</sup> of July Parade? Will it be for both or does WSFM need to do one?

If you have this all under control just type back UC...and I will stand down.
